Automatic Recognition Fest
Celebrating the EHEA Qualification Table

Thursday 12 March 2026
13:00 -15.30 (CET, The Hague time)
Place: Virtual

About

Come and join us to discuss the latest developments in automatic recognition in discovering and celebrating one of the most concrete tools currently available to put automatic recognition into practice: the EHEA Qualifications Table.

This table – presented in an interactive, clickable PDF – offers a clear overview of qualifications eligible for automatic recognition across the EEA and EHEA. In addition to this table and experts views on the latest on the legal and practical elements in automatic recognition, the event will also feature the new AR-GO tool.

Registration: [link] Deadline: 6 March 2026
